

Diseases of Public Health Significance (DOPHS)

Northeastern
PUBLIC HEALTH
SANTÉ PUBLIQUE
du Nord-Est

Diseases marked with a ★ and in bold should be reported **IMMEDIATELY** by telephone to Public Health. All other diseases are to be reported within one working day. To report a DOPHS, contact Northeastern Public Health at 1-877-442-1212.

Timely reporting of diseases of public health significance is mandated and essential for their control. As per Ontario Regulation 135/18 and amendments under the *Health Protection and Promotion Act*, R.S.O. 1990 c.H.7, if you suspect or have confirmation of the following specified diseases or their etiologic agent, please report them to the local Medical Officer of Health or designate.
